

Destra Funds 2022 Estimated Year-End Capital Gains

Destra Funds announces their estimated 2022 year-end capital gains. Mutual funds are required to make certain distributions of income and gains to shareholders each year to satisfy Internal Revenue Code requirements applicable to mutual funds. The estimated per share amounts listed below are as of September 30, 2022. These figures are subject to change – perhaps significantly. Actual distribution amounts will be posted to the Funds’ website shortly after the year-end ex-dividend date.

These estimates are for anticipated capital gains only and do not include expected income distributions. Income distributions, if any, will be included in total distributions.
